Open Positions List
Revised March 31, 2008

Finisher

Prepare, assemble, fit, and pad flutes in accordance with company standards. Experience working with small electronics or other parts, or handicraft experience such as needlework or jewelry making, is strongly preferred. Exceptional dexterity skills are a must. High school diploma preferred.

Sonaré Sales Specialist

Enhance Sonaré domestic sales efforts by expanding market share with existing accounts, adding new products to existing accounts, and opening new dealers. Efforts will be conducted by telephone, email, fax, and by occasionally visiting dealer locations. Support marketing events such as trade shows, music educator's conferences, and educational clinic tours. 1 – 3 years inside sales experience preferred, ideally in the music industry. Excellent multi-tasking, customer service, and phone skills are a must. Professional level brass or woodwind playing ability is a huge plus. BA/BS or equivalent education is required.

Piccolo Finisher

Prepare, assemble, fit, and pad piccolos in accordance with company standards. Experience working with small electronics or other parts, or handicraft experience such as needlework or jewelry making, is strongly preferred. Exceptional dexterity skills are a must. High school diploma preferred.

CNC Machinist

Produce tools and fixtures. Run CNC milling machines. Knowledge of Master-Cam programming, manual machining, and tool making is preferred. Other CAD knowledge a plus. Should be an independent self starter. 1 – 3 years of experience or equivalent preferred.
